LONG BEACH

The Rantings of a Mac Man

Some of Jesus' thoughts about children:

"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these." **(Unless the child is unwanted, then it becomes trash)**

"Whoever welcomes this little child in my name welcomes me; and whoever welcomes me welcomes the one who sent me." **(Unless this child was unwelcome and a burden, then we can throw it out with the garbage)**

"A woman given birth to a child has pain because her time has come; but when her baby is born she forgets the anguish because of her joy that a child is born into the world." **(Unless the woman did not want the child then she could have it destroyed and disposed of)**

I apologize for my sarcasm written in the parentheses. We would be shocked if Jesus would have said anything close to what is in these parentheses. His love for children is well documented and the thought of children being killed would turn his stomach. In the Old Testament, the Canaanite god Molech required the sacrifice of children to him. God mentions time and time again in the book of Leviticus how unacceptable that was to him. One place where this happened was the valley of Hinnom. This place was so revolting to the followers of Jehovah God that it became a dump. Its name became to be known as Gehenna which is translated "hell".

The enacting of a New York law that allows a baby to be aborted up to its birthday is appalling. Children should be cherished and loved even if they are not yet born. It is so sad to see some mothers fight so hard to have and to keep their children while others discard them as unwanted. This lack of care for life is scary. What if this disregard for life expands to children just born or to old, feeble people who are unwanted?

I just hope that if Mississippi considers in following in the footsteps of New York, we will go in force to Jackson and let our leaders know what is right.

But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind.

Christian College Scholarship Program

We continue to provide a \$500 scholarships each semester for our LBCoC youth going to a Christian Collage. We have given scholarships to Donavon Rillion and Gabby Howe this last year and it looks like we will be adding Marty Moore when classes begin in the fall.

If you would like to donate to this fund simply write a check to LBCoC and note that it is for the Scholarship Program.
