GOD'S LOVE FOR THE

4 "What man among you, who has a hundred sheep and loses one of them, does not leave the ninety-nine in the open field and go after the lost one until he finds it? 5 When he has found it, he joyfully puts it on his shoulders, 6 and coming home, he calls his friends and neighbors together, saying to them, 'Rejoice with me, because I have found my lost sheep!' 7 I tell you, in the same way, there will be more joy in heaven over one sinner who repents than over ninety-nine righteous people who don't need repentance."

## The Rantings of a Mac Man

It seems that Rhett has become a great deal more mobile of late. And, believe me, it is a mixed blessing. It is wonderful to see him try to keep up with his brothers and the great joy he shows in doing that. But he also is into everything. If for one minute we don't know where he is, we spring into action to figure out what he is into. Last Tuesday he got into the pantry and emptied four boxes of breakfast cereal onto the floor. He seemed pretty proud of himself as he walked around with a handful of Post Honeycomb, however his mama was not happy at all.

With his new found mobility he has begun to play an interesting game. He covers his head with a blanket or towel and walks around trying not to run into things. This week he found an old toy cowboy hat and put it on. The hat had been squashed and was highly distorted. But it was perfect for his walk-around game. He ran into a wall and into the side of my chair but he did not seem to mind. What fun!!

Many people in this world are like Rhett walking around in that cowboy hat. No, they aren't physically blind, but spiritually blind. They can see the physical world which is merely the inside of the hat, but miss the true big picture; a spiritual world that involves eternity. Jesus said *"The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of light. But if your eyes are unhealthy, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness!"* Matthew 6:22-23

Jesus was not talking about physical eyes, but spiritual eyes. So let's check our eyes and fill ourselves with His light. Then we can try to share that light with those around us who are spiritually blind. Jesus and His Word are the only cure for spiritual blindness. We need to share the cure.

*It's like NPR from a Christian worldview* is a common listener description of our daily news podcast *The World and Everything in It*. Psalm 89:11 inspires our program title: "The heavens are Yours; the earth also is Yours; the world and all that is in it, You have founded them." It says something about the breadth of news coverage on the program, but also its *depth* — with biblically objective journalism at its core. Each day's half hour starts with a fast-paced news summary, followed by longer stories, interviews, and reports from WORLD journalists, as well as thoughtful commentary and original feature journalism reported from the field. Hosted by Mary Reichard and Nick Eicher, *The World and Everything in It* will enhance your morning commute or any part of your daily routine.
